Dear George:

I would like to thank you for your very kind donation in support of the American Lake VA Veterans. As you can imagine, our VASH Veterans are going through very difficult times in their lives. It is especially touching for them to know someone out there still cares! The food you have provided will certainly be well utilized by our Veterans and their families. Most of these Veterans depend upon food banks for the main portion of their food. Your donation will allow them to make one less trip to the local food bank. This is truly a wonderful mission you and Debbie are filling! We greatly appreciate your continued support of our Nation's Heroes!

Sincerely,
