CHRIS SUTTER
Interim Chief of Police

February 20, 2013

To Whom It May Concern:

I am writing this letter in support of the LINKS Program which George Golden and his staff administer to our community. This organization, LINKS, has provided emergency food boxes to The Vancouver Police Department East and West Precincts for families and individuals in immediate need.

It goes without saying how important it is to be able to help families in crisis while they seek long term assistance. These boxes have been given to those in need that Vancouver Police Officers have encountered during their daily service to our community. It is a great program in which these officers are able to reach out and show compassion for those members of our community that are in dire straights.

I encourage you to support this organization and their efforts, as any support will be a direct service to those in our community who are truly in need.

Sincerely,

A handwritten signature in cursive script that reads "Chris Sutter".
